

HURLSTONE AGRICULTURAL HIGH SCHOOL P & C ASSOCIATION

Roy Watts Rd, Glenfield, NSW 2167
Ph 9829 9222
ABN 26 127 492 160

9th December 2015

Dear Minister,

The Hurlstone Agricultural High School P&C had a general meeting last night and the following motions were passed.

1. We strongly object to the sale of the Hurlstone Land in South West Sydney for the construction of a new school in North West Sydney that nobody has asked for.
2. We insist that the Hurlstone name stay in Glenfield and if the government builds an Agricultural High School in Hawkesbury, they find a new name for it.
3. That the school community advises the minister it will not cooperate with any aspect of the recent decision about the future of Hurlstone.
4. The P&C requests a meeting with the minister. Considering the Christmas break is upon us we need a response from the minister as soon as possible. The latest that the P&C would expect a response is Friday 11th December 2015.

We look forward to your response.

Yours Sincerely

Rebecca La
Hurlstone Agricultural High School P&C President
